

IRFU Serious Injury Report Form For Rugby Clubs and Schools

The IRFU Serious Injury Report Form must be completed by a designated Club/School Official and returned to the office of the provincial CEO within 1 week of injury occurrence.* The purpose of the form is to ensure that a record is kept of all serious injuries occurring in rugby in Ireland and for insurance purposes. Injury reporting is a requirement of the IRFU insurers. Your Club/School should also maintain an Injury report logbook where details of all injuries are recorded.

*Serious Injury Definition – Any injury occurring during rugby training or game, which requires that the injured player is transported to and/or treated in hospital.
